We are pleased to invite you to register, participate and contribute high quality deliberations and make the event a success.

About Conference:

There are many challenges India facing in higher education, but it is most important to resolve these challenges and improve higher education. India is a nation with tremendous potential for human capital, which must be discussed in order to make effective use of this potential. Opportunities are abundant, but it is of concern whether such opportunities can be gained and made accessible to others. There is a need to urgently evaluate financial resources, access and equity, efficiency, standards, relevance, infrastructure and ultimately responsiveness in order to achieve and meet future requirements.

The aim of the conference is mainly focused on the Research, Innovation, Challenges & Opportunities in higher education in today's era. The conference also aims to identify issues and challenges in the field of higher education in India.

About College:
